

NUDURA Project Profile

Williams Residence - Peterborough, Ontario

FAST FACTS

- 2,750 sq. ft. home on waterfront.
- A custom R2000 certified waterfront home built for homeowners who chose environment conscious materials. This home won the D.R.H.B.A. Green Home Award.
- Cultured stone with wood siding and cedar shake finish.
- Floors: Wood TJI - 1/2" Gypcrete with hydronic radiant heat.
- This home utilized NUDURA 6" forms.

“Our house is everything we hoped for...and more. Please feel free to show off your work any time. With our sincere thanks for such a beautiful home” Owner Williams Residence
